

TALKS ON WORK OF THE CIVIC LEAGUE

Mr. Gillette Delivers Interesting Address Before Petersburg Junior League.

WILL LEAVE FOR REUNION

General Bolling and Others to Start for Birmingham. To-Night.

[Special to The Times-Dispatch.]
PETERSBURG, Va., June 6.—Mr. W. W. Gillette, of Richmond, delivered a most interesting address on civic league work before the Junior Civic League at the Petersburg High School this morning. The large audience meeting in the assembly hall. The speaker, who was formerly a well-known citizen of Petersburg, was introduced by Edwin Burgess, president of the Junior League, who was cordially welcomed. Mr. Gillette heartily commended the work for the beautifying and the sanitary improvement of the city, accomplished by the Civic League and the Junior organization during the short period of time since their formation, and laid great stress on the importance of the work for the preservation of shade trees and the planting of others, referring especially to the great value of trees in the region of the city's water supply. Speaking of the proposed new high school building, for which the Board of Public School Commissioners have secured a site, Mr. Gillette advocated procuring as extensive playgrounds and lawns around the building as possible. The address was received with enthusiasm, and a rising vote of thanks was accorded to the speaker. Mr. Gillette accepted an invitation from the Civic League to make an address before it on June 15th at the hall of the Chamber of Commerce. Encouraging reports of work were received from several of the companies at the public schools, of which the Junior League is composed.

HEFLIN IS TO PLEAD

If Not to Alabama He Will Be Arraigned Tuesday.

WASHINGTON, D. C., June 6.—Representative J. Thos. Hefflin, of Alabama, probably will be called for arraignment on Tuesday. He was arrested in the indictment recently returned against him, charging an assault with a dangerous weapon on Louis Lundy, colored. Following an altercation on a street car at Sixth Street and Pennsylvania Avenue, Northwest, a few weeks ago, Mr. Hefflin discharged his pistol at Lundy, and a bullet struck the negro in the neck. Another bullet struck a bystander named McCree, a New York hotel owner, who was attending the spring meet at Benning.

District Attorney Baker stated today that a notice would be served on Attorney Henry E. Davis, of counsel for Mr. Hefflin, to have the Alabama representative in court next Tuesday. "Of course," said Mr. Baker, in answer to an inquiry, "if Mr. Hefflin has returned to Alabama I should not insist on his return for arraignment. That could be deferred until the case is called for trial in the fall."

CAMP CHASE MEMORIAL

Those Who Served on Opposing Sides Make Speeches.

COLUMBUS, OHIO, June 6.—The sentiment that there is no longer sectional hatred in America was reiterated with emphasis to-day at the annual memorial service held at the Confederate Cemetery at Camp Chase, where 2,250 soldiers who were killed in battle were buried. The speaker on the part of the Confederacy was Rev. Edward O. Guerrant, of Wilmore, Ky., who was a captain in the First Brigade, Kentucky Cavalry, under General John H. Morgan, the famous raider, who was captured with some of his men and confined for time in the Ohio penitentiary, whence he escaped. Rev. Mr. Guerrant said that forty-three years ago it had been taken all of General T. E. Lee's army to have brought him here, but that on this occasion his only escort was his daughter, a little rebel girl. He had seen many things that once he never expected to see, and one of them was a Confederate captain speaking in the capital city of Ohio.

Judge David F. Pugh spoke for the G. A. R. and other Civil War veterans' associations. At 6 P. M. a minstrel also delivered an address. Members of the Grand Army and of the United Confederate Veterans made up a large portion of the gathering.

Ads. on Fifth Avenue Streets.

NEW YORK, June 6.—Whether or not the Fifth Avenue street coaches may carry advertising signs is still a question. Two judges of the appellate division in decisions rendered yesterday said they could not, but three more justices said they must. The real question, as the court held unanimously, is whether the city may attempt to take the "ads" off the coaches and then sue for damages.

CONSIDER QUESTION OF TARIFF REVISION

Members of Ways and Means Committee Sending Out Notices to Constituents Urging Those Interested to Appear in Person or Submit in Writing.

[Times-Dispatch Bureau.]
Washington, D. C., June 6.—Persons who wish the tariff reduced on specific articles should send notices now being sent out by members of the Ways and Means Committee, which was authorized by the House of Representatives to sit during the vacation of Congress for the purpose of considering the matter.

Although Chairman Payne said there would be no session of the committee this summer, members are now sending out notices to their constituents to the effect that hearings will begin at an early date, and that they desire to study the subject of tariff revision with all the information possible before them. To this end it is suggested that citizens who are especially interested in the subject appear before the committee or submit such information as they may possess.

The notice states that it is not at all necessary for individuals to appear in person. It will assume the form of a letter, in which the facts as they may have, tending to show whether duties should be changed—that is, made higher or lower.

In the notices he is sending out, one member of the committee suggests that the committee, either in advocacy of a reduction or an increase of tariff duties, if such representative of the business or industry affected by the existing tariff.

Representative Needham, of California, who is a member of the committee, declared recently that an effort might be made to have the duty on citrus fruit, including oranges, grapefruit and lemons, increased, instead of reduced.

It is probable that many lemons will be distributed by the committee to the advocates of tariff revision, which is in force within two months of a deficit. Of course, where tariff duties are now so high as absolutely to prohibit importations, reduction of duty would increase receipts from that particular subject, and there may possibly be a reduction in the tariff on articles now imported sufficient to stimulate the total of customs' receipts from importation of that particular article. This is one of the theories with which the revisionists will have to contend.

It is understood to be the Republican program to call an extra session of Congress about the 15th of March. The extra session would be devoted to consideration of a new tariff bill. It has been said that in case Mr. Bryan should be elected to the presidency, President Roosevelt will call an extraordinary session immediately after the election in order to give some time for the consideration of the bill revising the tariff. Of course, it is not expected that the hearings of the committee will result in any radical recommendations, which Congress or the President will enact into law, which will work fundamental changes in the present tariff schedules.

The Republican membership of the Ways and Means Committee, is strong; the average of the Democratic membership is rather below that of other committees of the House, although there are some able men among the minority.

Sereno E. Payne, of New York, Republican floor leader of the House, and John Dalzell, of Pennsylvania, "the high priest of protection," head the Republicans. Champ Clark of Missouri, the senior and second in rank, is respectively, on the Democratic side. The full membership of the committee is as follows:

Sereno E. Payne, of New York; John Dalzell, of Pennsylvania; Samuel W. McCall, of Massachusetts; Ebenezer J. Hill, of Connecticut; Henry S. Bouldin, of Illinois; James E. Watson, of Indiana; James C. Needham, of California; William A. Calderhead, of Kansas; Joseph W. Fordney, of Michigan; Joseph H. Gaines, of West Virginia.

For Primary and Bryan.

LA CROSSE, Wis., June 6.—A mass meeting of the Democratic voters of La Crosse Precinct, Nekelesburg, Wis., elected W. B. King, S. J. Mosely, and J. S. Montgomery, Jr., delegates to the State convention at Rockford, Ill., to be held on June 10th. The primary was held for the purpose of electing a primary and for Bryan.

Smith's Cross Roads Precinct sends J. L. Oglethorpe as delegate instructed for a primary and for Bryan.

South Hill Precinct sends N. E. Lea instructed for primary and for Bryan. These three precincts compose one-fourth of the delegates of Mecklenburg county. The indications are that the county is solidly for W. J. Bryan and the primary.

FOORSYTH GIVES VOTES TO KITCHIN

County Convention Gives Him Lion's Share of State Convention Delegates.

VERY CLOSE AT NEWBERN

Kitchin and Craig Strength About Even—Results of Other Primaries.

[Special to The Times-Dispatch.]
WINSTON-SALEM, N. C., June 6.—In the Forsyth Democratic convention to-day, the vote of the primary delegates received, and delegates chosen to the State convention, Governor Glenn's administration was endorsed. State Senator Buxton's candidacy for Congress endorsed and the delegates instructed to cast Forsyth's solid vote for him in the convention.

Delegates to the State convention were instructed to vote for an instructed delegation from this State to the Denver convention for Hon. W. J. Bryan and County delegates were given the power to cast the vote of Forsyth for whom they pleased for the various State offices, except for the governorship. The delegates are to vote for Governor as follows: Kitchin, 12,222 votes; Craig, 2,311; Horne, 1,477.

Divided at Newbern.

[Special to The Times-Dispatch.]
NEWBERN, N. C., June 6.—The primaries in the county, with forty-five votes in the county convention, were held to-day. The vote cast was rather light, after the bitter fight by the backers of the various candidates. As near as can be learned just now, the vote is: Kitchin, 1,552; Craig, 2,177; Horne, 1,256. The primaries in the city, with twenty-five votes in the convention, will be held Monday night at 8 o'clock.

Brooks for Congress.

[Special to The Times-Dispatch.]
GREENSBORO, N. C., June 6.—Returns from the primaries in Stokes and Surry, the only remaining primaries in this, the Fifth Congressional District, which were held to-day, indicate that the necessary twenty-four votes Brooks needed to get the nomination on the first ballot, he has received twenty-five, thus making his nomination practically certain in the convention to be held in Greensboro, N. C., on Monday. Brooks is the present solicitor, having resigned after ten years' service to run for Congress to succeed W. W. Kitchin, now leading candidate for the Democratic nomination for Governor.

Gives Kitchin the Lead.

[Special to The Times-Dispatch.]
RALEIGH, N. C., June 6.—The Democratic primaries in Wake county to-day, strength of twenty-four delegates on the basis of about twelve to Kitchin, eight for Horne and four for Craig, for Governor. The popular vote in Raleigh township was: Kitchin, 635; Horne, 252; Craig, 152. As a consequence, the vote cast in the Democratic primaries two years ago. Raleigh and Wake primary votes this time are regarded as very light. The returns from all the other nine counties show that the Democratic primaries will not result in a change of power. Raleigh townships are counted: Craig, 2; Kitchin, 2; Pitt, Kitchin 10; Craig, 2; Horne, 2; Wilson, county, Kitchin 7; Craig, 14; Horne, 24; Perquimans, Craig, 24; Kitchin, 14; and Horne, 4; Craven rural district, a majority for Kitchin, 619; Newbern townships: Robeson, Kitchin 619; Craig, 518; Horne, 328; Stokes, solid for Kitchin, six delegates.

A remarkable return in Wake county was from Panther Branch township, where twenty-eight votes were given to W. W. Kitchin, the Democratic candidate, a prominent anti-prohibitionist for Governor. Horne, 9; Craig, 5, and Kitchin, 7. The Watson vote was manifest resentment of anti-prohibitionists, and will not be considered or reported by the party chairman because there was no official registration of the vote.

It is estimated that the results of to-day's primaries will give Mr. Kitchin a lead of about ten to fourteen votes over Craig in the total instructed State convention delegation to date.

ELECTRICAL WORKERS STRIKE

Some of Chicago Parks and Boulevards Will Be Dark.

CHICAGO, June 6.—A strike of 400 electrical workers, the entire force employed by the West Park board of Chicago, was ordered last night by the board. The strike will take effect to-day, and as a result practically 4,000 electric lights in Humboldt, Garfield and Douglas Parks and the entire West Side Boulevard system will be dark.

Trouble arose over the employment of a non-union man by W. A. Jackson, who has the contract for re-hanging are lamps in the west parks and boulevards.

WATERWAYS COMMISSION

President Reappoints Body and Issues an Explanation.

WASHINGTON, June 6.—Carrying out his declaration to the conference of governors, that should Congress fail to provide for the continuation of the Inland Waterways Commission, he should continue them by executive act, and Congress having failed to take action continuing the body, President Roosevelt to-day re-appointed the members of the commission, so he made public the following explanation:

"In view of the desirability of continuing the work of the Inland Waterways Commission, the President has requested those designated last year, with the exception of General Alexander MacKenzie, Chief of Engineers, War Department, who has retired, to continue their services on the said commission, and has also requested Senator William B. Allison, Representative Joseph E. Ransdell, of Louisiana, and Professor George F. Swain, of the Massachusetts Institute of Technology, to serve as members. As soon as a selection of the Chief Engineers for the War Department has been made he will also be designated a member of the commission in place of General MacKenzie.

The commission was now made up as follows: Representative T. E. Burton, chairman; Senators Allison, of Nevada, and Baughman, of Alabama; three presidential appointees; Representative Ransdell, of Louisiana; Clifford Pinchot, forester, Department of Agriculture; F. H. Newell, director of the Reclamation Service; Herbert Knox, chief of the Bureau of Corporations, Department of Commerce and Labor; Dr. W. J. McGee, Department of Agriculture, and Professor George F. Swain.

News Gathered From Southside.

The final exercises of the Manchester High School will begin this evening.

Class Roll—Ellen Alvah Angel, Edward Bradstreet Dunford, Evelyn Ker Freestherian Church at 8 o'clock by the Rev. J. J. Fix. Commencement proper does not begin until Friday. Class exercises will take place at 10:30 A. M. in the Presbyterian lecture-room, and the graduating exercises will be held at 8 o'clock that night at the same place. Professor Metcalf, of Richmond College, will be the principal speaker of the evening. Miss Helen Morrisette will deliver the valedictory. The salutatorian will be Miss Alice Ingram, and the essayist Edward Dunford. Admittance to the commencement exercises at night will be by card only.

Immediately following the exercises at the chapel, the Alumni Association, which was recently organized, will give a banquet at the High School building, at which the graduates of this year will be the guests of honor. Altogether, this has been a most successful year at the High School. A library fund has been started, and when the session opens next fall those studying the higher branches of English will find the necessary books in the school library, and will not be compelled to go to the Virginia State Library for the information which they seek.

Another fund, which has been started, and is well under way is for a playground. It is hardly possible to have a sufficient amount on hand to purchase it by the beginning of the fall session, it is the desire of the school to have one before the year is well advanced.

Professor Kramer J. Iloke's services as principal have given entire satisfaction to the school and parents of the children, and he will be urged to remain next year.

Following is a list of class officers and graduates for the year:

Class Officers—President, Lucile Nichols; Vice-President, Evelyn Fitz-

gerald; Secretary and Treasurer, Alvah Angel.
